Logging In for the First Time
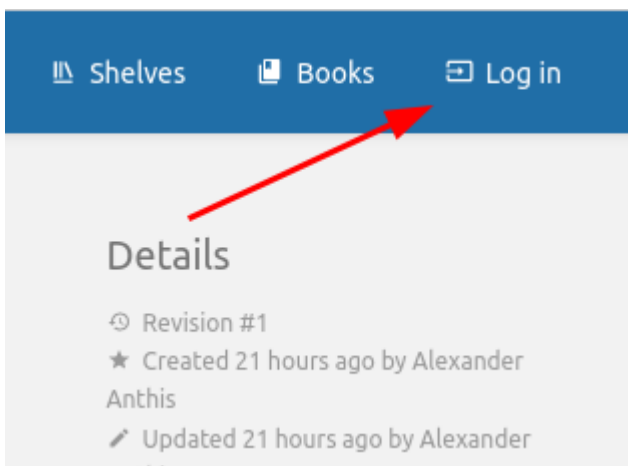

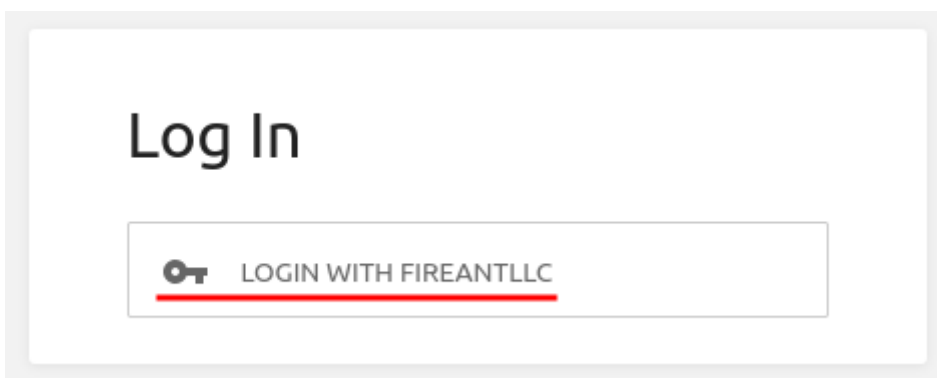

Getting Started

Hello! Welcome to FireantLLC!

In order to get started, the first thing you need to do is log in. Here is how you log in.
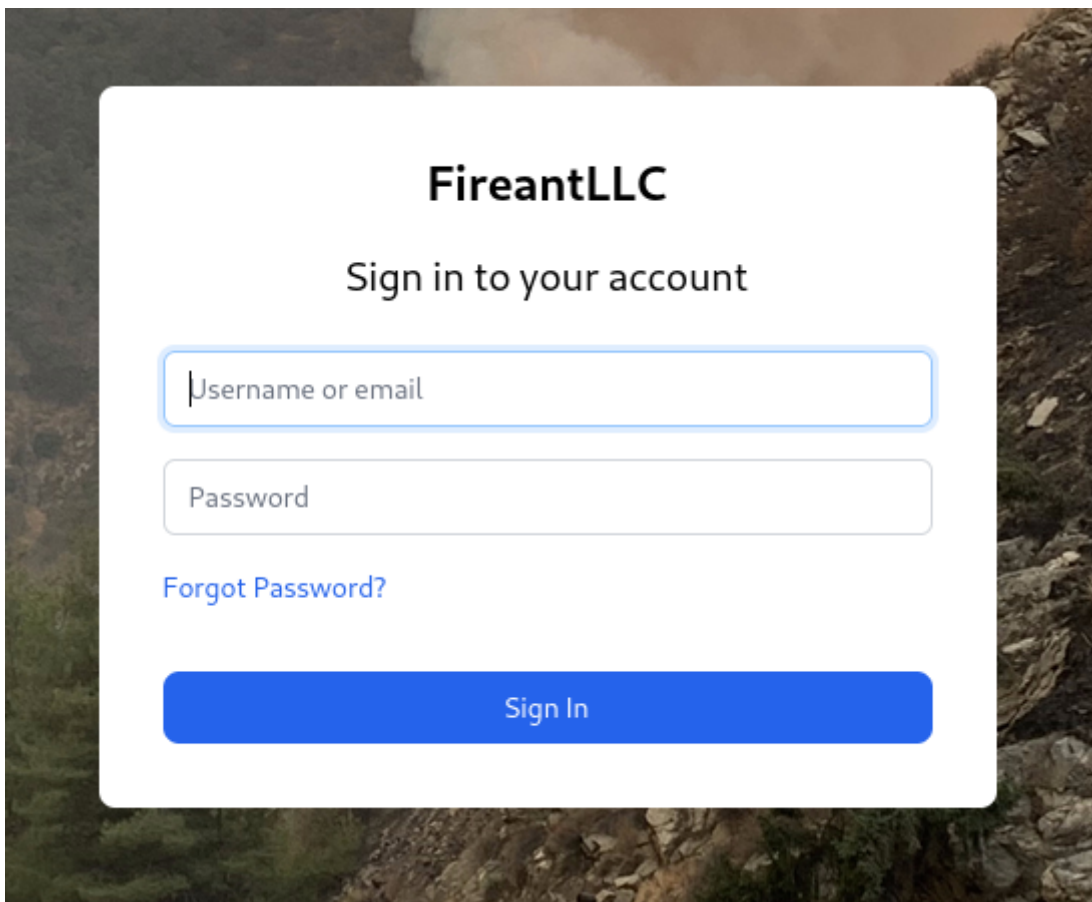

How to Log In

Click/Tap on *Log in* on the top-right of the screen

Click/Tap on Log in with *FireantLLC*.

Enter the username/email and password provided to you in the fields provided. [

> If you do not have a username and password, you may have to check your email for your credentials. Make sure you check your junk folder as well. If you still cannot find your username and password, please contact your supervisor.

If your username/email and password are correct, you should be logged in! If you have any questions or errors, please contact fireantllcaz@gmail.com or your supervisor.

That should be all! Have a great day!
